

ENRICHMENT MATTERS

Enrichment Management Services

1 Expert assistance from your dedicated program manager

- Our team consists of former teachers, parents, PTA/PTO coordinators, and education professionals
- We plan the entire year in one meeting

3 Access to the highest quality classes

- Our team does the leg work to find safe, reliable, exciting classes
- We have the largest selection of enrichment vendors in the area
- We can add on site support staff, if needed

2 Registration, Rosters and Refunds

- We take registration and answer parent questions
- We format and send you class rosters
- We handle any refunds or class transfers and pay vendors

4 Proven and effective marketing to reach your school community

- Our team will design, print, and ship flyers to your school
- We provide email templates and social media posts you can share in less than a minute
